

# Cathedral Team to Sudan - Summer 2011

Dear prayer supporters,

At the time of writing, we are 2 weeks away from our exciting trip to the South of Sudan, and despite feeling a bit nervous and apprehensive, we can't wait to get there! We leave on the 26th June, flying out of Dublin, a quick stop in Amsterdam and on to Uganda. We stay in Uganda for 2 nights before we take a further flight to Yei.

We will stay in Yei town for one night and then head on a fairly awkward road journey to Mongo on Wednesday morning. We will run both our relationships course and our Youth Mission for 3 days, Wednesday through to Friday. We will have a lovely restful day on Saturday in which we will travel back to Yei town, followed by a day of Church services on Sunday, in which we will preach, do drama, etc.

Finally we will run our three day relationships course and youth mission in Yei town from Monday to Wednesday, before saying a goodbye to lovely Sudan on the Thursday... Sniff sniff...

## Here are a few points for prayer:

- **For practicalities** - we are relying on people we don't know and have only been communicating with via email to look after various things - please pray that the things that we need will be there for us!
- **For a healthy team** - there are only 7 of us, so it would be a huge blessing if we could all avoid sickness and be available to run the events;
- **For the Sudanese young people and Churches** - that God would bring the right people to the events, and would prepare their hearts to be good soil for the message;
- **For connections** - that we find favour with the young people and the leaders and can be a blessing to them;
- **For a cultural relevance** - that our communication and teaching will speak relevantly and powerfully into the culture of the people;
- **For God to use us** - please pray that God moves in a mighty way both in the relationships course and the Youth Mission.
