DIAMOND JUBILEE EDITION

This souvenir Diamond Jubilee edition of the New Testament has been created to be given away in schools and churches, and at street parties and other Diamond Jubilee events. The New Testament comes in packs of 50 costing only £25. It includes 8 pages of images from the Coronation and the Queen's life, linking her 60 year reign and her Christian faith. There is a suggested reading section with bible references on various topics and a clear guide to help readers understand the significance of Jesus Christ's birth, life, death and resurrection.
