

# Equipped!

## Ripple Training

A practical hands-on morning with a creative atmosphere to help you leave refreshed, invigorated and excited about your children's ministry!

### WORKSHOPS (choose 2)

#### Putting Together a Special Service (Karen Webb and Andrew Neill)

Every year in church, there are opportunities to have special all-age services, led by children, but how do you put one together? Come along, bring your ideas and fears and let's learn together.

#### Bible Crafts (Aimee Gibson)

Come and explore how to teach well known Bible stories using creative craft ideas. There will be lots of practical, easy to use ideas that will suit any of your children's organisations.

#### The special needs child in your group (Jill Hamilton)

This workshop will help you support children with special needs in your group and provide you with ideas to improve their understanding, participation and behaviour.

#### Object Lessons (Victoria Jackson)

Through this hands-on workshop we hope to build your confidence in giving children's talks and send you back to your church equipped with plenty of fresh and easy to use ideas!

#### Drama (Chris Neilands)

Do you ever find it hard to get children engaged with the Bible? Why not come along and learn some drama games and exercises that can help bring the Bible to life. No prior experience needed!

#### Holiday Bible Clubs (Heather Carson and Gillian Millar)

Come and learn about the nuts and bolts of running a holiday club. How do you do it when you have only a small team? What are the benefits of running one? Includes some useful programme ideas.
