# Joseph AND THE AMAZING TECHNICOLOURED DREAMCOAT

Monday 16 – Friday 20 August  
9am–4pm

A variety of musical and other activities will take place during the week including singing, vocal work in sectional groups, and musicianship classes. With the emphasis very much on fun, skills developed throughout the course include music reading abilities, aural, pitch & rhythm awareness, and music theory.

The course is open to all children, regardless of their musical ability and we welcome complete beginners alongside those who are more advanced. We will be working with some of the city's finest professional musicians to create a vibrant and exciting programme.

Musicianship classes will be divided into 4 tiers:

**Complete beginners**  
(No grade expected)

**Beginners**  
(Instrument/theory grade 1–2)

**Intermediate**  
(Instrument/theory grade 3–5)

**Advanced**  
(Instrument/theory grade 5+)

Each day a different family of instruments will visit, giving the children a chance to learn about and hear a number of instruments of the orchestra, alongside the great cathedral organ. At the end of the week, friends, family and the general public will be able to hear what their children have accomplished as we congregate to deliver a concert performance of their week's achievements.

**Included in the course fee:**  
All music; a Belfast Cathedral Summer Music School branded hoodie, music folders and stationary, all snacks, all group tuition, all group activities and any individual tuition (if required).

Cost of course **£180pp\***  
(Monday – Friday, 9am – 4pm)

\*15% reduction for siblings and current Belfast Cathedral Children's Choir members

As current Covid 19 regulations stand in relation to group singing, we are limiting course numbers to 60, with 15 children in four groups. Children will be offered a place on a first come first served basis on completion of the attached application form. It is our hope to open this to more children during the summer subject to a further easing of guidelines.
