

### Which one? The Pharisee or the Tax Collector?

He said, 'I give away a tenth of all I have.'	He looked down at the ground.	He looked straight up to heaven.	He said, 'Thank you God that I am better than other people.'	God forgave every bad thing he had ever done.
He said, 'Please God forgive me.'	God did not answer his prayer.	He beat his chest in sorrow and shame.	He said, 'I keep every rule.'	He said, 'I've done lots of bad things.'
